“Our elders knew the curves of the hillsides and the lines of the trails as intimately as they knew the curves and lines of their mothers’ faces. Today, our grandparents lament that children born on the reservation are like buffalo born behind a fence. Along with our many rights and privileges we bear responsibilities for teaching our children about their birthright.”

- Germaine White, Salish

Thank You
To the Tribal Elders Who Guided Us:

Louis Adams
Patricia Allen
Sylvester Alley
Honorable Henry Anderson
Vernon Ashley
